(a) what is the actual cost of investigation/repair/re-work, etc. incurred in respect of each of the four bursts of the pipelines;

(b) what is the latest position about the recovery of these costs from the Bank Guarantee furnished by the suppliers;

(c) whether any penalty has been imposed and realised from the supplier firms for their failures and if so, what are the details in this regard;

(d) whether there has been any penalty clause provided in the agreements entered into with the supplier firms of these pipelines, if so, what are the details thereof; and

(e) what is the present position in respect of each of the pipeline contracts and by when each of them is likely to be completed?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) The total cost of investigation, repair/rework etc., was about Rs. 15.6 lakhs.

(b) The cost of investigation, repair/rework has been recovered from the supplier.

(c) and (d) The costs incurred in locating the bursts, removal and replacement of the defective pipe, inspection and retesting of the pipeline etc., have been recovered from the supplier as per the penalty provisions of the contract.

(e) The Boreri-Gadepan pipeline has been commissioned in June, 1993. It has been decided to replace the Bombay subtransmission pipeline by a new pipeline at the cost of the supplier of the line pipes.

Check on Private Companies Engaged In Marketing Cooking Gas

7812. SHRI K. RAHMAN KHAN: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the names of private compaines which are marketing or are permitted to market cooking gas in the country other than the public sector oil companies;

(b) whether Governemnt are aware that such private companies have collected huge amounts from the public as dealership deposits; and

(c) if so, what steps Government propose to take to regulate them?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPT. SATISH SHARMA): (a) Under the Parallel Marketing System, private agencies can import and market LPG for which they are not required to obtain any approval from the Ministry of Petroleum and Natural Gas.

(b) and (c) Such reports have come to the notice of the Government. The State and UT Governments have been advised to ban collection of deposits by parallel marketeers without making adequate arrangements for supply of these products. Besides, they have also been advised to verify the genuineness, antecedents and capabilities of persons/agencies intending to take up activities
